Computer Security Fundamentals – Spring 2023

ChatGPT, Social Engineering and CyberSecurity   **Total: 5 points**

Please read the following content in the links and give me a report about your thinking.
It needs to be "at least 1 page", but "no more than 2 pages".

No format is required for your writing. No Q&A. 100% free style.
However, it would be good to itemize your findings. I just want to know if you guys read it or not?
Please note, do not copy and paste the content in the links.
Use your own words from your own thinking.
